

# What is included in the WSU RAG Total?

---

The Students' Union has been supporting student fundraising activities for many years at the University of Worcester with students raising over £7000 for a number of charities in the 2016/17 academic year. Our Student Engagement Coordinator oversees student fundraising in the Students' Union and acts as the staff support to the Raise and Give (RAG), student fundraising committee.

The Students' Union aims to support all Students at the University of Worcester who wish to fundraise. The annual RAG total will include:

- All fundraising done centrally by SU staff or officers
- All fundraising undertaken by the RAG Committee
- All fundraising undertaken by SU affiliated Sports Clubs and Societies (including those organised by the student group in partnership with other organisations)
- All fundraising undertaken by Worcester students who have received support from the Union or the RAG committee/bank their money with the Union for donation.
- Any fundraising submitted by current Worcester students for inclusion in the RAG total on the WSU website.

## Student Group Fundraising Examples of what is Included:

Sports Club organise a charity ball: Included
