

## Raising and Giving at WSU

### What is our fundraising offer?

The Students' Union has been supporting student fundraising activities for many years at the University of Worcester with students raising over £30,000 for many different charities in the 2021-22 academic year. Our Student Groups Assistant oversees student fundraising in the Students' Union and acts as the staff support to the Raise and Give (RAG), student fundraising committee.

### We can support you!

The Students' Union will support all student fundraisers. As part of the offer, we are giving students the opportunity to undertake up to three, 15-minute fundraising support workshops regarding your fundraising task, which includes:

- Look at your fundraising goals and how to achieve them
- How to pay in your securely donations through the Students' Union or online giving pages
- Support with letters for raffle prizes, bag packs and applications for street collection licenses
- Advice on fundraising legislation and support to ensure you remain within the law

### When do these support workshops take place?

Students are able to attend a 'drop-in session' which will take place over a period of two hours on Mondays 2-4pm and Thursdays 2-4pm.

### Do you supply fundraising buckets and tins?

Yes, you are able to loan from us sealed fundraising buckets and tins to support your fundraising activities.

### Can I use The Hangar for my event?

You are eligible for the same access to The Hangar as SU Sports Clubs and Societies, with free venue hire.

### Will my fundraising be included in the RAG Total?

All students who fundraise at the university can have their efforts recognised in the RAG total and can use the RAG logo on their promotional materials. If you have already done some fundraising and want it included in the RAG total, you can fill in our online form.
