

RAG Bucket Collection

RAG Collection buckets must be requested before via the RAG Event/Activity Form or through the Welcome Desk/Student Groups Assistant before collection. If they have not requested a bucket that you are aware of, please check with the Student Groups Assistant before handing them out.

All requested buckets will be prepared and sealed before collection by the student. Any student that has requested a bucket must sign the bucket out with an SU member of staff (Welcome Desk or otherwise).

All buckets borrowed should be returned after their fundraising event to the SU Welcome Desk. They must return sealed. The contents will be counted by the SU, and you will be notified of the amount raised. By borrowing these buckets, you are responsible for them for the duration of the event, they should not be left attended.

Book a Bucket

You can book a bucket for a specific event or fundraising activity through our RAG Event/Activity Form. Alternatively, you can book a bucket from the Welcome Desk, through the RAG Committee, all you need to do is e-mail studentsunion@worc.ac.uk or Student Groups Assistant.

You should provide the following information:

- Date you need the bucket for
- How many buckets you need
- Charity name and Charity logo
- UK Registered charity number
- Your name and student group

Your collection bucket will be prepared and sealed by our reception team - make sure you follow our simple dos and don'ts when raising money.

- ✓ Do clearly display the charity name and number at all times
- ✓ Do return your buckets to the SU Welcome Desk as soon as possible after the event
- ✓ Always cash in any money raised to the RAG account via the SU (never into a personal account)
- × Don't shake buckets when collecting money
- × Don't break the seal on the bucket - this way no money is unaccounted for and all the money you have raised is sent to the charity.
