Why advertise with us?

Worcester Students' Union is the ideal place for you to advertise your services to the student population in Worcestershire. We know our students inside and out, and we have range of fantastic advertising opportunities to ensure our partners receive maximum exposure.

The University of Worcester has a student population of 9,000. This includes full-time undergraduates, part-time postgraduates, and students studying professional courses such as Nursing and PGCE. All students at the University are members of Worcester Students' Union, meaning we have direct access to this diverse customer base. By advertising with us, you will have access to a vibrant student community through an organisation that they trust.

We have a wide range of opportunities for you to promote your business. This pack will provide you with a summary of all of the advertising opportunities available to you. If you have an idea of how to get your brand out there that is not included in this pack, please get in touch with us and we can discuss your ideas further.

Welcome Festival 2025

Our Welcome Fair is one of our biggest events of the year, where we welcome all of our new and returning students back to the University, ahead of the new academic year.

Book a promotional stand at our 2025 Welcome Fair and you'll be able to catch all of our students in one place. We had 3,000 students attend our 2024 Fair, making this a great opportunity to build brand awareness and loyalty with our students right at the beginning of their university journey.

Our 2025 Welcome Fair will be taking place on **Wednesday 17th September** at the University of Worcester Arena. The price for a standard stall starts at £400+VAT, with a number of bespoke packages available depending on your budget and requirements.

You can use this engagement to your advantage by placing a banner advert on our homepage for all our existing and prospective students to see. You can also take advantage of high traffic to specific areas of our website during key periods of the academic year, such as Welcome Festival and Varsity.

Venue Hire

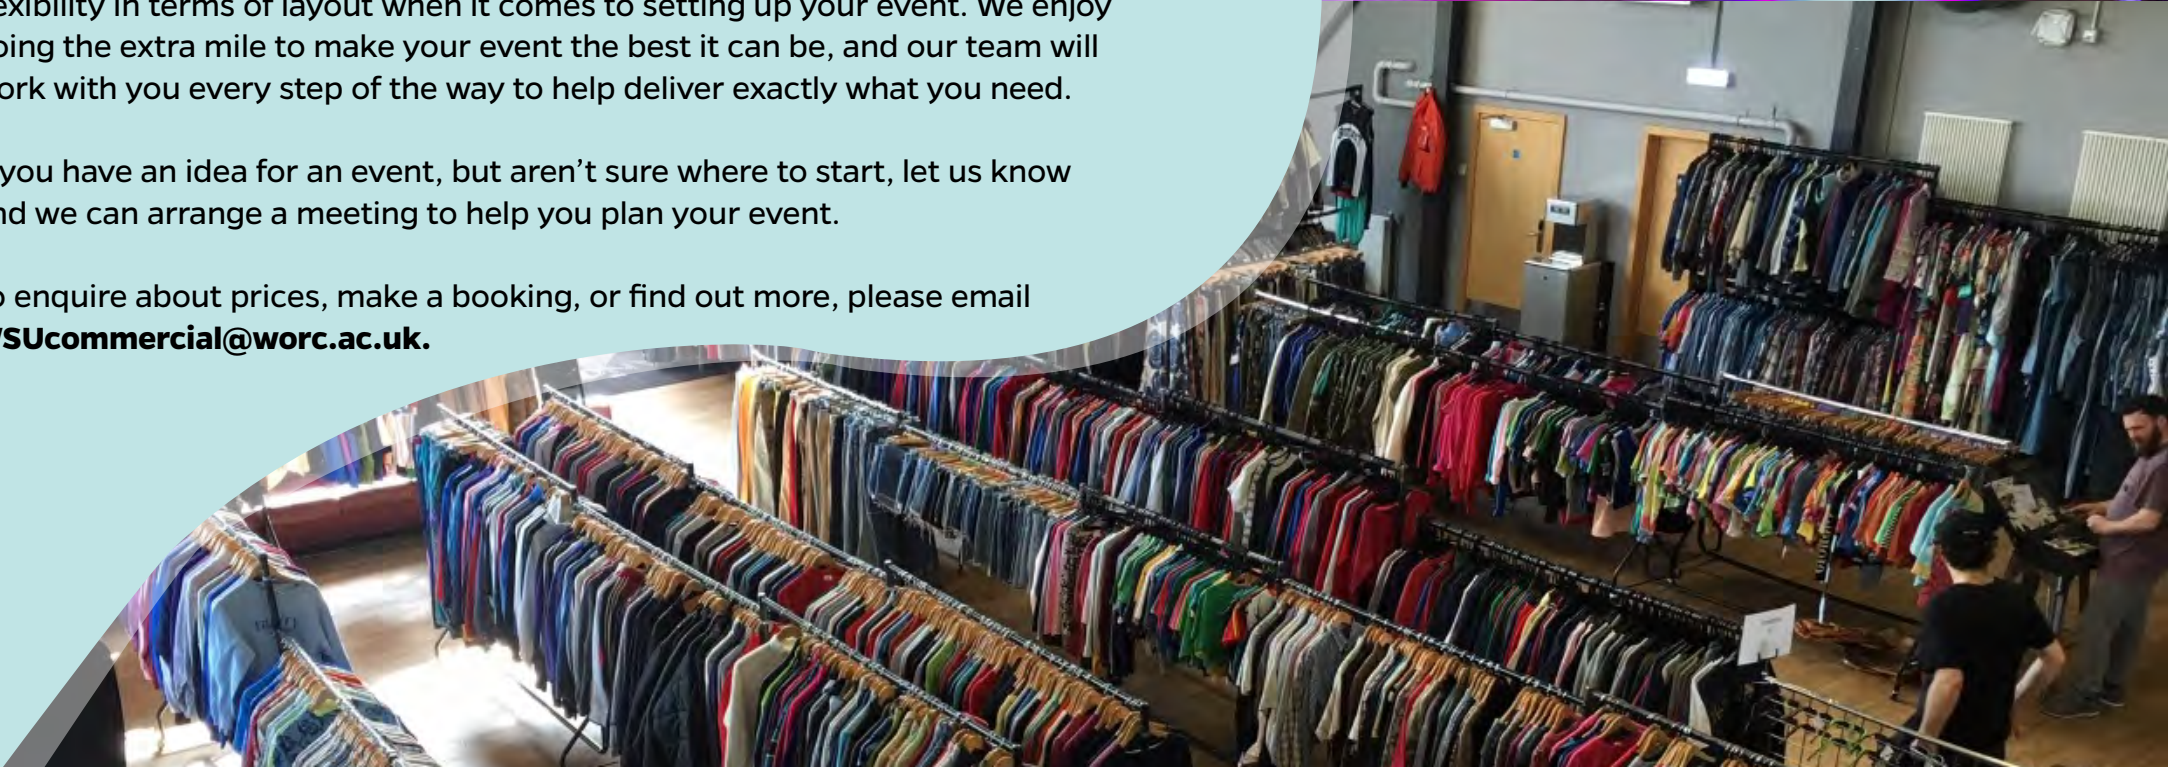

Located at the centre of our St John's Campus, The Hangar is our on-campus bar and is the place for students to go when they want to relax and unwind, day or night. Our dedicated Venue and Events team take pride in making every event at The Hangar a special experience, whilst still providing exceptional value for money.

The Hangar is available for private hire, whether it's for a large-scale promotion or activation, pop-up shop or sale, club night takeover, private party, and everything in between. In the past we've hosted clothing and poster sales, sip and paint evenings, product giveaways, takeovers of The Hangar bar, and a whole lot more.

Our downstairs space measures 38 feet by 40 feet and we can offer great flexibility in terms of layout when it comes to setting up your event. We enjoy going the extra mile to make your event the best it can be, and our team will work with you every step of the way to help deliver exactly what you need.

If you have an idea for an event, but aren't sure where to start, let us know and we can arrange a meeting to help you plan your event.

To enquire about prices, make a booking, or find out more, please email **WSUcommercial@worc.ac.uk**.
