As a candidate you must recognise that being a full-time officer is a responsible post which will require you to lead by example, to represent students and to have credibility in your dealings with students, SU staff and University staff. The Students' Union is very keen that no students put their academic studies at risk through the elections process or through taking up an officer position. You must be confident, therefore, when you nominate yourself, that you are in good standing academically and that you are able to commit fully to the role for the full duration of the term of office. In submitting your nomination you hereby agree to adhere to all of the rules and regulations set out by the: 1) Candidates' Code of Conduct 2) Trustee Eligibility Declaration (only applicable to nominees of full time officer positions.) These documents can be found on the Students' Union website at <http://www.worcsu.com/yourvoice/elections/hub> You will be required to sign paper copies of the documents at the Candidate's Briefing which is being held on Friday 8th March at 17:15 EE 2035. Please note that you may not start your election campaign, including online campaigning, until after the Candidate's Briefing on 8th March.  
I agree to the terms and conditions stated above
