

WSU Policy Number: To be filled in by the SU (when passed)

Policy Proposal: Team Worc Council Name Change

Proposing Student's Name:	Al Linforth
Student Number:	SU President
Seconding Student's Name:	Issy Price
Student Number:	Vice President Student Activities
Facts: What is the issue you're trying to address? What do we already know about this issue?	
<p>Every student who engages within the students' union is a part of Team Worc, this can be through being a member of a club, society or network, being a course or department rep, or even just attending events held by the students' union.</p> <p>Team Worc council is a subcommittee of Student Council and is attended by all committee members of societies, sports clubs and student-led services. It is not open to any other member of the union.</p>	
Impacts: How does this issue affect students, and in what way? Is it negative?	
<p>As a students' union we want to tackle the current misconception that Team Worc is only our sports clubs and societies. I believe that Team Worc council's name contributes to this misconception and changing it would begin our work of letting students know they are all a part of Team Worc and help build a bigger sense of community.</p>	
Reacts: What would you like the Students' Union to do to address the issue? How do we need to take it forward?	
<p>I would like to propose that we change the name of Team Worc council to something related to sports clubs, societies and student led services.</p> <p>Current idea includes:</p> <p>Student Activities Council</p> <p>However, we are happy to open this up to suggestions and hear your ideas.</p>	

We also need to raise awareness across our members that TeamWorc is something that everyone can engage with and be a part of, not just sports and societies. This year we are hoping to produce a 'What is Team Worc' video. This video would centre around showing aspects of TeamWorc such as Sports, Societies, Networks, RAG, Volunteering, Course and Department Reps, those who attend events in the Hangar and visually communicate and promote what TeamWorc is.
