

# CONNOR ALLEN

## STUDENT DISABILITY OFFICER

Hi my name is Connor Allen I am running for Student Disability Officer, Having a disability I understand the daily issues which students can face which have a disability. The University Of Worcester has done a lot to accommodate students with disabilities but they are certainly things which could be greatly improved. If elected my three main focus points to improve are:

- Academic Disability Support – Making sure all students with a disability get the best support they can get.
- Disability Sport – Campaigning to get Wheelchair Basketball a recognised BUCS Sport, where we earn BUCS Points.
- Accessibility around the campus and to all SU Events – Including students with disabilities into academic and social events.

Voting starts on the 3rd of November and Closes on the 7th November, I hope I can count on your vote!
