

# HELEN MANNERS

## NUS CONFERENCE DELEGATE

My name is Helen Manners and I would like you to consider me as your representative for NUS delegate. As a student who is already heavily engaged within the Students Union I feel I am well placed to represent the views of the students at UoW at a national level. I am currently the Mature Students Officer, an Institute Rep and a volunteer which puts me in daily contact with a large cross section of the student body and helps me to understand how they feel about particular issues which may be raised at conference. I was lucky enough to attend the NUS National Conference last year, which was an amazing experience, and would very much like to be able to return, with a greater understanding of the system, and play a more active role in representing Worcester at a national level. If I am elected to this position I will work closely with the SU and Student Council to make sure that the whole delegation is representing the views of the students at UoW and that we report back to you all after conference.
